

istanbul matematiksel bilimler merkezi
istanbul center for mathematical sciences

WOMEN AND MATHEMATICS: NUMBER THEORY

Morning Session:

10.00-11.00: *Özlem İmamoğlu - On class number formulas for binary quadratic forms*

11.00-11.30: Tea Break

11.30-12.30: *Rachel Newton - Number fields with prescribed norms*

12.30-14.00: Lunch Break

Afternoon Session:

14.00-14.20: *Gendar Gap in Science*

14.30-15.30: *Elisa Lorenzo Garcia - On different expressions for invariants of hyperelliptic curves of genus 3*

15.30-16.00: Tea Break

16.00-17.00: *Ekin Özman - Modularity, rational points and diophantine equations*

Date : Saturday, March 7, 2020

Place : IMBM Seminar Room, Bogazici University South Campus
